

## Student & Supervisor Declaration, Graduate Diploma of Cardiac Electrophysiology [10383NAT]

Both the below signed "Student" and "Supervisor" hereby agree that the "Student" meets the Educational Eligibility Criteria set out below, and that the "Supervisor", agrees to the roles and duties outlined below:

### CEPIA's definition of the Educational Eligibility Criteria for Student Enrolment is as follows:

- the possession of an appropriate Bachelor degree equivalent to working in the therapeutic area of electrophysiology, or a demonstrated equivalence to an appropriate degree AND
- must already be employed in the field of cardiac electrophysiology and have direct access to an EP lab and be personally performing and/or participating in EP procedures.

### CEPIA's definition of a Supervisor is as follows:

- The Supervisor must be a fully qualified, experienced & currently practicing Electrophysiologist or EP Physiologist with a minimum of 2 years post-graduate experience who witnesses and/or oversees a student's work in the EP lab on a day to day basis, and will signify (with their printed name, signature and date) on the student's practical workbook that the work contained within that workbook was collected, collated and annotated unaided by the student themselves.
- The Supervisor must be employed at an Electrophysiology Hospital/Institute on a permanent (full or part time) or contractual basis and must not be a direct relative of that student.
- The Supervisor must not receive any financial gain, compensation or reward in performing their duties as Supervisor from the student.
- The Supervisor must be willing and able to provide clinical tuition and/or guidance and/or mentoring in the field of cardiac electrophysiology should the student require it at a level and frequency to be agreed upon between the Student and Supervisor themselves.
- The Supervisor will be copied in on all vital correspondence to ensure that critical information is duly conveyed to the student
